Tell a story...

What makes us exceptional?

Calling a funeral home is probably the last thing anyone wants to do, but rest assured that when you need to, our caring, friendly staff will care for you and your family's needs throughout this difficult process. We pride ourselves on the ease of our arrangements, our flexibility, and the breadth of our services- all at affordable prices. Only one Alexandria funeral home can honestly claim all these advantages, Cunningham Turch Life Celebration home. Making It Special

Whether it includes a symbolic dove release, a final ride alongside our Harley Hearse, or a round of putt-putt golf around our facility - with monogrammed golf balls and a shared memory and picture at each hole - there is no one right or wrong way to honor your loved one; instead, we have observed the deep sense of satisfaction and peace that comes to families who feel they gave the type of tribute that was right for their loved one and family. Perhaps it can't be perfect, but it can be the right kind of meaningful. We encourage you to make this a unique and memorable service or celebration or get-together. Helping you create personalized tributes that achieve this is one of our specialties.

We only have one chance to honor and celebrate our loved ones.

"We hope you will honor and celebrate your loved one in such a way that you will look back ten years from now and think, 'that was a fitting tribute to the life lived.' This does not mean you must spend a great deal of money, but it does require a little thought and effort. I tell everyone, 'No one will remember the casket or urn ten years from now, but create a unique and meaningful ceremony and everyone will remember it for the rest of their lives.'" -Michael Turch

Parking

About 50 cars can be parked in our parking lot and in front of our building. For larger services, we have arrangements with the parking garage across the street.

Enthusiasts love that "final ride" in our custom Harley Davidson hearse.

"Historic old town charm, while setting today's standard of service"
